ENTERTAINMENT PERMITS

=====

WHEREAS, on December 15, 1999 the City Council adopted Ordinance No. 1686 which approved a new process for Live Entertainment Permits; and

WHEREAS, with the Use Permit process, the activity must go through the Planning Commission for review and approval which is required to be a noticed public hearing; and

WHEREAS, the new process is done through staff and therefore the City does not incur as much time in the review so the cost to process is less; and
